

Harmony Health Plan Director Honored with Praize Productions Pillar Award

CHICAGO and TAMPA, Fla. (April 5, 2018) – Miguel Torres, senior director of field sales and marketing for Harmony Health Plan, Inc., a WellCare Health Plans, Inc. (NYSE: WCG) company, has been recognized with a 2018 Pillar Award by Praize Productions, Inc. (PPI) in recognition of Harmony’s contributions to the health and well-being of Chicago communities.

The Pillar Awards recognize individuals who are doing incredible things to "revive" Chicago’s communities and making positive impacts to those around them in health and science, entertainment, education and entrepreneurship. Torres received the Health and Science honor for his diligent work to help ensure that individuals, families and communities in Illinois have the healthcare, education and resources to live better, healthier lives.

“I am honored to accept this award, not just for my efforts, but on behalf of the entire team at Harmony Health Plan,” said Torres. “I grew up on the west side of Chicago in a low-income home, so I saw firsthand the challenges my mom had with navigating the healthcare system and understanding how to live a healthy lifestyle. This inspires me every day to amplify our message of health, wellness and preventive care to the communities and members we serve, and this cannot be done without partners like Praize Productions.”

“I am filled with gratitude and appreciation for Harmony’s commitment to PPI. It is my hope that ‘Revival’ will spark a breath of hope, newness and life into each person who attended and that the continued work that we do together will inspire and transform generations to come,” said Enneressa “Reesie” Davis, producer/director and founder of Praize Productions, Inc.

PPI is a seven-year-old not-for-profit organization focused on arts enrichment infused with education and social programming for people of all ages, backgrounds and experiences. It mentors and teaches children in Chicago’s inner city about the arts, provides professional training at affordable rates and offers mentorship and professional performance opportunities.

The award was presented during the PPI “REVIVAL” performance on March 24. The closing performance of the evening was “Level Up (EmPower),” produced by PPI. The piece spoke to when it is time for us to go to the next level in life, whether that be in purpose, health, business, vision or passion.
